<b>Explanations</b>	

In our Board of Directors Meeting today;

In order to meet the increasing demand in tire reinforcement segment regionally, it has been decided to invest for dipping production line amounting 20 million USD. The investment which will increase our tirecord production capacity by 19 kilotons/year will start its operations in 2024.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
