Explanations	

In our Board of Directors Meeting today;

Most of our operating income/expenses and financial assets/liabilities are consisted of US Dollars and the conditions to the transition to USD-based reporting that has been confirmed by our independent audit company have been completed. Based on the situation, it has been decided that USD-based reporting will be started effective as 01.01.2022 and the functional currency change does not any impact on historical financial tables.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
